ABOUT THE STATE

Happenings of Interest From Different Sections.

Hart, Schaffner & Marx have offered \$2,500 in prizes to students of the university of Vermont for papers on various subjects.

Amadeo Maroni, employed in the machine shop at Randolph, was struck in the eye by a piece of iron last week and will lose the sight of that eye.

Raymond Murray of Milton was badly injured in the leg Saturday, from being drawn among the spikes of a farm manure spreader, on which he was riding.

Karl Robinson of Milton may lose the sight of one eye as a result of being hit by a shotgun or airgun Sunday. He was taken to the Fanny Allen hospital for treatment.

While M. H. Brown was ploughing at his home in South Vernon recently, he found a fine specimen of a perfect Indian arrow head, in every detail. The point is very sharp.

Several dogs attacked a herd of sheep on the Evans farm in Windsor Sunday, and before they could be chased off had killed three and injured fifteen more so that they were helpless.

Governor J. A. Mead has pardoned John Doyle, who was sentenced to state prison for a term of not less than six years nor more than eight for a statutory offense, after he served 23 months.

Doyle went out on a catfishing party, his wife is critically ill in the Memorial hospital with a spinal trouble.

Rev. J. L. Holden has tendered his resignation as pastor of the Congregational church at Royalton, to take effect June 13.

An electric fire caused a fire Sunday evening in the store of the Burlington Remnant company. The fire had been started by a lamp, which had been left burning and had burned its way through the table before it attracted the notice of outsiders, who notified the firemen.

A forest fire in the woods south of Burlington Saturday and Sunday did great damage, particularly to the young growth of hemlock and pine trees. It started, as near as can be ascertained, by a pine stump being left burning and had burned its way through the table before it attracted the notice of outsiders, who notified the firemen.

All That Is Earthly Is Subject to Pain

—King Solomon

The victims of rheumatism all tell the same story; they have sore, inflamed muscles and stiff, aching joints; they have no ambition or strength, and get nervous and irritable, which is not to be wondered at. We realize how much they suffer.

"Nurito," a prescription free from opiates and narcotics, will banish all aches and pains, and limber up those sore and inflamed muscles, or your money will be refunded.

We realize that there are worthless and dangerous remedies, which are sold as cure-alls by the help of manufactured testimonials, whose object is to extract gold. "Nurito's" purpose is to give relief and is compounded exclusively as a specific remedy for those only who suffer from rheumatism, sciatica or neuritis.

Convince yourself. Go to the Red Cross Pharmacy or E. A. Drown's today, get a \$1 box of "Nurito," the remedy that produces results.

You can feel it working. Compounded by the Magistral Chemical Co., Flatiron Bldg., New York.
